Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Brian E. Kondas on February 23, 2010. In the claims:

in claim 14, line 4, "for adjusting" has been replaced with -- which adjusts --.

The following is an examiner's statement of reasons for allowance: the claims are allowable over the Slatkine references and the Grove et al reference because the Slatkine references do not antedate the filing date of the instant application, which relies on PCT/AU03/00791, filed June 25, 2002.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
